Monitoring and evaluation facility as a source of transformational
power

What have we monitored?

9

laboratories
targeted

16

laboratories
involved

What have we learned?

Dilemma

Standard approach
of tracking, reporting,
drawing observations
and conclusion

Dynamic approach
of monitoring
tracking, reporting,
concluding and
intervening

What have we learned?

Culture

Context

People

..and everything is doubled

What have we learned?

People at the centre & their motivations:

Science

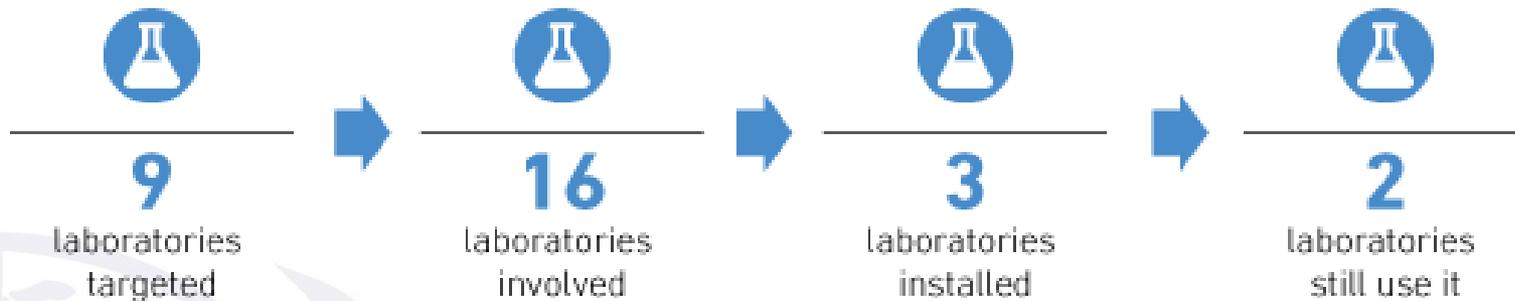

Science
and me

Me, me, me

What have we learned?

Thank you
